3. Agreement	10

1. Purpose

This annual report details the performance of the Information & Communications Technology Authority for the fiscal year ending 30 June 2006.

It includes information about outputs actually delivered during the year as compared to the planned performance documented in the Purchase Agreement for the Information & Communications Technology Authority for 2005/6, or as amended through the supplementary appropriation process.

2. Statement of Outputs Delivered

ICT 1	Drafting Instructions for the Development of Legislation		
Description Provide Instructions on: - Continuing the drafting of a stand-alone Data Protection Act (or equivalent) that protects an individual's rights to personal privacy. Introduce and monitor a pilot scheme within the public sector. - Assisting with the redrafting of legislation on intellectual property rights to ensure that the requirements of e-business are taken into account. - Assessing the impact of the proposed Freedom of Information Act upon ICT systems, and recommending the procedures and systems necessary to provide the required access to official information. - Drafting additional regulations under the ICTA Law 2004 Revision and the Electronic Transactions Law 2000. - Continuously monitoring international technical standards and legislation in competitive jurisdictions, and recommending amendments to our legislation where appropriate in order to maintain our competitive position.			
Measures Quantity Hours spent on Draft legislation, public consultations, international research on legislative issues Quality All papers will: - Define issues clearly and succinctly, with the nature and scope of the issues being clear. - Have involved appropriate research, consultation with interested parties, and employed appropriate analytical techniques. - Have recommendations that are unambiguous. - Examine implementation issues and provide guidance where appropriate. - Be prepared with due professional care. Timeliness All papers delivered by dates required Location As required Cost (of producing the output) Price (paid by Cabinet for the output)	2005/6 Actual	2005/6 Budget	Annual Variance
