Parliamentary Question No. 1

Answered on 10th October, 2022 -
First Meeting 2022-2023 Session - Second Sitting

Parliamentary Question asked by Mr. Joseph Hew, Elected Member for
George Town North
To
The Honourable Johany Ebanks, Minister responsible for
Planning, Agriculture, Housing & Infrastructure

QUESTION: Can the Hon. Minister state whether the 50 acres of property purchased for affordable housing in George Town will be used for the purpose intended, and if not, has replacement property been found?

ANSWER: Mister-Speaker, I have been reliably informed that the NHDT is unaware of a 50-acres of property purchased for affordable housing in George Town.

However, I assure this honourable House that we recognize the importance of housing in the George Town area, and will keep this house abreast of developments. In addition, Mister-Speaker, we are actively looking for additional lands that could be utilized and provide good value for money.
