Parliamentary Question asked by Hon. Sir Alden McLaughlin,
Elected Member for Red Bay
To

The Honourable Johany Ebanks, Minister responsible for
Planning, Agriculture, Housing and Infrastructure

QUESTION: Can the Hon. Minister provide an update on the progress of the Eddie Sanchez Memorial Park in Red Bay/Prospect?

ANSWER: The Eddie Sanchez Park, which is envisioned as an integral gathering and recreational space for the neighbourhoods of Red Bay and Prospect has seen substantial improvements over the past year.

In addition to the cabanas and walking track at the park, a sidewalk along Prospect Drive has been built allowing for a safer travel by pedestrians. The parking lot has been asphalted and parking spaces defined. The park has also benefited by the installation of partial landscaping, including the planting of 3 mature trees and the spreading of 300 cubic yard of top soil.

Scheduled for second quarter of 2023 is the spreading of an additional 300 cubic yards of top soil in preparation of seeding and turfing of the play field, fencing along Prospect Drive to fully enclose the parking area, chip and spray along the Prospect Drive side of the park and the drilling of two deep wells.
