QUESTION:

Can the Honourable Minister say how much funding has been assigned for the National Housing Repairs Programme, and whether the Government has considered distributing these funds by district?

ANSWER:

Mr. Speaker,

TP60: Housing Assistance has been allocated CI\$1,500,000.00 for the 2026/2027 financial period.

The Government is currently undertaking a comprehensive policy reform for housing repairs. This reform is intentionally designed to evaluate and identify the most effective delivery models to achieve the maximum number of housing repairs in the shortest possible time for the most vulnerable Caymanians across Grand Cayman.
