

PARLIAMENT
OF THE CAYMAN ISLANDS

PARLIAMENTARY QUESTION NO. 20
Answered on 30 September 2026
Second Meeting 2026-2027 Session – First Sitting

**PARLIAMENTARY QUESTION
ASKED BY**

**MR. DWAYNE SEYMOUR
ELECTED MEMBER FOR BODDEN TOWN EAST**

TO

**HON. JOHANY EBANKS
MINISTER PLANNING, LANDS, AGRICULTURE, HOUSING
& INFRASTRUCTURE**

QUESTION:

Can the Honourable Minister say whether the National Housing Trust has a programme in place to foam the attics or install solar panels to previous homes built by the Trust, in an effort to assist homeowners with energy-saving measures?

ANSWER:

Mr. Speaker, No. The National Housing Development Trust does not currently have an approved or funded programme to retrofit previously constructed Trust homes with spray-foam attic insulation or solar panels. There is therefore no implementation timetable for either measure at this time.

Thank you, Mr Speaker.
