**PARLIAMENTARY QUESTION
ASKED BY**

**MR. DWAYNE SEYMOUR
ELECTED MEMBER FOR BODDEN TOWN EAST**

TO

**HON. JOHANY EBANKS
MINISTER PLANNING, LANDS, AGRICULTURE, HOUSING
& INFRASTRUCTURE**

QUESTION:

Can the Honourable Minister say whether the Government is still pursuing the purchase of beach lands and affordable housing properties throughout Bodden Town?

ANSWER:

Mr. Speaker, Yes. The Government remains interested in acquiring suitable beachfront land for public use and land to support affordable housing, including in Bodden Town.

Any acquisition is subject to the property's suitability, an independent valuation, the availability of funding and the required approvals.

In recent years, the Government has acquired approximately three acres of beachfront land in the Bodden Town, Pease Bay and Frank Sound areas for public recreational use. The Government is also considering the potential acquisition of additional beachfront property, subject to the necessary due diligence, funding and approvals.

The Government will continue to evaluate appropriate opportunities as properties become available. Thank you, Mr Speaker.
