PARLIAMENTARY QUESTION NO. 65

Third Meeting 2026-2027 Session – First Sitting

PARLIAMENTARY QUESTION
ASKED BY

MR. ROY TATUM,
ELECTED MEMBER FOR THE CONSTITUENCY OF RED BAY

TO

HON. ROLSTON ANGLIN
MINISTER OF EDUCATION & TRAINING

QUESTION:

Can the Honourable Minister say whether Red Bay Primary School is included in the recently announced programme of dedicated learning-support classes and, if so, when construction is expected to begin?

ANSWER:

Mr. Speaker, the Ministry has discussed the establishment of additional learning support provision at Red Bay Primary School with the Principal, and a suitable space has been identified. Some renovations and the recruitment of appropriate staff will be required. Our goal is to have the provision operational for the start of the next school year.

However, the specific nature of the provision, whether a dedicated Learning Support Class, a Nurture Group or another targeted intervention, will be determined by the assessed needs of the students to ensure that the most appropriate support is provided.

The Ministry remains committed to ensuring that students with additional learning needs have access to appropriate educational provision. Implementation will continue to be guided by student needs, available facilities, staffing requirements and wider infrastructure priorities across the Government school system.
