PARLIAMENTARY QUESTION NO. 72
Answered on 19 November, 2026
Third Meeting 2026-2027 Session – Second Sitting

PARLIAMENTARY QUESTION
ASKED BY

HON. KENNETH V. BRYAN
DEPUTY LEADER OF THE OPPOSITION, ELECTED MEMBER FOR THE CONSTITUENCY OF GEORGE TOWN CENTRAL

TO

HON. JOHANY EBANKS
MINISTER OF PLANNING, LANDS, AGRICULTURE, HOUSING & INTRASTRUCTURE

QUESTION:

Can the Honourable Minister:
(a) say when scheduled repairs and structural maintenance for the Constitutional Hall will be completed; and
(b) detail the ongoing maintenance schedule and budget allocation for all public community halls across the Cayman Islands?

ANSWER:

Mr. Speaker,

This question comes with good timing as I have been reliably informed that the ministry has signed a contract on 13 November 2026, with the work anticipated to take approximately 10 to 14 days to complete.

Mr. Speaker, maintenance across our public community halls is managed through the Department of Facilities Management's Planned Preventative Maintenance Programme, which provides scheduled servicing throughout the year.

This includes quarterly air-conditioning servicing, annual fire safety and generator maintenance, and quarterly building condition assessments.

These activities are funded through the Department's 2026/27 Supplies and Consumables budget, with additional repairs and improvement projects undertaken as required.

Current planned works include approximately CI$700,000 for improvements to the William Allen McLaughlin Civic Centre, subject to additional funding being secured.

Thank you, Mr. Speaker.
