PARLIAMENTARY QUESTION
ASKED BY

MR. DWAYNE SEYMOUR,
ELECTED MEMBER FOR THE CONSTITUENCY OF BODDEN TOWN EAST

TO

HON. JOHANY EBANKS
MINISTER OF PLANNING, LANDS, AGRICULTURE, HOUSING & INTRASTRUCTURE

QUESTION:

Can the Honourable Minister say, what is the current plan to address the traffic flow heading towards the airport, crossing Mango Tree Restaurant, Kirk Motors and Fosters supermarket?

ANSWER:

Mr. Speaker,

The National Roads Authority is progressing the preliminary design of an extension of Owen Roberts Drive to North Sound Road, including connections to Shedden Road and the Port Authority's Cargo Distribution Centre.

Mr. Speaker, this proposed extension is intended to provide an alternative route for motorists travelling to the airport and surrounding businesses, reducing congestion and improving traffic circulation in the area.

The project is currently in the design and consultation stage, with ongoing discussions involving affected landowners and businesses to finalise the proposed alignment and access arrangements

In addition, the NRA is exploring options to improve traffic flow along Dorcy Drive, while the Traffic Management Panel has approved two pedestrian crossings to improve safety and accessibility in the area.

Thank you, Mr. Speaker.
